To Whom it may Concern,

I would like the opportunity to become the district commissioner of district II because I believe you need someone that is fully immersed and knowledgeable of the landscape and soccer culture in northeast Ohio.

Since graduating the University of Dayton in 2006 and moving to Northeast Ohio in 2007 I have had the ability to grow in numerous ways, understand the soccer culture in northern Ohio and accomplish some prestigious accolades along the way.

I feel I am the candidate for the job because of the reputation and relationships I have managed to forge and the on field success I have had and continue to have as a coach.

Sincerely,

Oliver Condell
