

Dear OSA members,

My name is Mo Razack, and I am asking for your vote for OSA District 5 Representative. I've been actively involved in all aspects of youth soccer in central Ohio for more than 35 years, and a member of the Ohio South board since 2017. My recent collaboration with Gordon Henderson and the Ohio South team helped bring about the merger of Ohio South and Ohio North. The result is the united Ohio Soccer Association you see today.

Through the years I've coached various levels of soccer including semi pro, college, high school and club programs. I have in-depth knowledge of the soccer landscape across Ohio and the U.S. I count numerous State, Regional and National Championships among my many coaching accomplishments. But I believe my most worthy qualification to be your District 5 Representative is my genuine love for the sport of soccer.

I breathe this game. It's why I'm at the fields 7 nights a week, working with kids that share my passion for the sport. Well, not all of them are passionate. We all know the players that are out there because their parents say they have to play, or their friends are playing, so they are, too. And that's fine, everyone has a place on the pitch. But then there are the dedicated kids. They may not have the very best skills, but they try, and they're willing to work for it. That's why I'm there every night. And that's why I want to be your District Representative. I care deeply about our new State Association and I want to be part of this new, dynamic group of men and women who are working to make a difference in the sport of youth soccer in Ohio.

Please vote for me, Mo Razack, for your OSA District 5 Representative.

Thank you,

Mohamood Razack - MO
