

Dear Ohio Soccer Association Members,

As an active and dedicated member of the Ohio Soccer Association, I am writing to request your support in my application to continue to serve as the District 1 Representative.

With a deep passion for soccer and a commitment to the growth and development of our sport, I am eager to represent our district and advocate for the needs and interests of our members. If given the opportunity, I will continue to work to ensure that our district's voices are heard and that our collective goals are pursued with integrity and enthusiasm.

I believe that my experience and dedication make me a strong candidate for this position, and I am confident that, with your support, I can effectively serve our association in this capacity. Through the years I've coached various levels of soccer from semi-pro to youth club.

I kindly ask for your endorsement and support in my application for the District 1 Representative position. Thank you for your consideration and ongoing commitment to the Ohio Soccer Association. I look forward to the opportunity to serve our association and its members to the best of my abilities.

Sincerely,

Lori Williams
