**Subject:** What to Bring to Presidents Cup and Semis Finals Info

What should you bring to Presidents Cup?

Every player and coach who will be in the game or on the sideline must have a physical OSA player/coach card with them at every game. You do not need to bring rosters or match cards as we will print all match cards for the Round Robin weekend. Each match card will have the approved event rosters for both teams printed on it.

Referee fees will be paid by OSA for all Round Robin and Semi/Finals games. You do not need to bring money to pay refs. If you have players who want to be taped prior to the games by a trainer, please make sure they bring their own tape.

We are starting to get more questions on the Semis/Finals times. Please note that these times will not be determined until after the Round Robin weekend is complete. We wait to schedule the Semis/Finals so we can work around coaches who have multiple teams in the event.
