

## Phase III: State Pool Camp FAQ's

-  **During check-in, am I able to take my player up to their dorm room and get them settled?**
  - Yes. We do ask that you limit your time in the dorms to 15 minutes on arrival day. Players will be responsible to check themselves out of the dorms on departure day.
  
-  **If I am a commuter, where should I get picked up and dropped off daily?**
  - Commuters are expected to be dropped off at their team's dorm before breakfast daily and they will remain with the team for the entirety of the day. After the conclusion of all activities, families are able to pick them up from the team's dorm.
  
-  **If I am a commuter, what am I to do during downtime?**
  - Commuters will be brought to the dorms during the downtime and able to interact with their teammates on the lobby floor. We will also have scheduled sessions during that time that they will attend.
  
-  **What happens if my child loses their dorm key?**
  - If a player loses their key, we will charge you a \$50 fee that will be due before they are able to leave the university.
  
-  **Are we able to pick roommates for camp?**
  - We do not take roommate requests for camp as this allows for our coaches to see how players interact with potential new teammates and fosters the creation of new friendships. All players will be on the same dorm floor as their teammates and friends, so they are able to spend time with them during their downtime. Additionally, players who advance to regional or national events are randomly assigned roommates, so this is an excellent opportunity to gain that experience.
  
-  **Can parents/families watch training or games?**
  - Yes, you are able to observe on-field events; however, our goal is to provide our players as independent and experience as possible. We ask that you do not sit on the immediate sidelines or interact with the coaches or players if you do attend the training.
  
-  **What if my player has a food allergy?**
  - We provide the facility with all our food allergies and dietary restrictions prior to arrival so they are able to accommodate all our needs.
  
-  **What kind of supervision will there be?**
  - In addition to coaches, each pool of players will have a minimum of one (1) administrator that will be with them at all times.
  
-  **Are players allowed to have their phone/mobile device?**
  - Yes, players are permitted to have a phone/mobile device, although there will be times players will be instructed to leave their devices in their bags – such as at meals and during team activities.
  
-  **Will there be free Wi-Fi available?**
  - Yes, University Wi-Fi is available in all dorms and anywhere on campus.
  
-  **When will I find out if my child made the State Team (Phase IV)?**
  - We will announce the State Team no later than 7:00pm on departure day.
  
-  **Can my child drive themselves to camp?**
  - Yes, however we will take their car keys upon arrival at camp and will return them at the conclusion of the event.

## Phase III: State Pool Camp FAQ's

### **Can my child go home with a relative or other family?**

- Yes. We will need a letter (either provided at check-in or emailed to [jeberle@ohio-soccer.org](mailto:jeberle@ohio-soccer.org)) indicating that your child will be leaving with someone other than a parent/guardian. This will assist with our check-out procedures.

### **Will there be athletic trainers or medical professionals on site in the event of an emergency?**

- Yes. We will have athletic trainers during all games/practices as well as staying overnight in the event of an emergency. Additionally, there is a hospital within 2 miles of the university and there are health services on campus.

### **Will we receive an evaluation at the conclusion of this camp?**

- Yes. We will provide all players with an evaluation via Team Genius at the conclusion of this event. Our coaches will be evaluating players on the below criteria.
  - Skill/Technique
  - Skill/Vision & Awareness
  - Positional Awareness
  - Athleticism
  - Coachability
  - Competitiveness

### **How will the evaluations be received and what information will it provide?**

- All parents will receive the evaluation via email. This evaluation will be emailed out within the three (3) weeks following camp.
